

# STATEMENT OF BELIEFS

Christ Consciousness Church affirms the sincere religious belief that the Kingdom of Heaven is within all men and women. Each person carries an inner divine presence and is capable of direct communion with the Most High Source of All Creation.

The Church is inspired by the life, teachings, and ethical example of Jesus Christ, emphasizing love, compassion, forgiveness, humility, and service to others.

Freedom of conscience is sacred. Worship and belief arise from inner conviction rather than compulsion, and spiritual growth is honored as a personal and collective journey.

This document is issued as a sincere statement of religious doctrine and practice.
